Children create a life-saving wristband

A group of girls from Cornwall, won a prize from the UK Space Agency after creating a fantastic invention which would be a life-saving gadget. Ellie, Jessica, summer and Emily all came up with this brilliant idea that can save swimmers and surfers lives in a special way. It is connected from space and it can quickly alert a trained life guard to save the people in a touch of a button.

The leaders of North and South Korea have met for the first time in 10 years

North Korea's Kim Jong-un and South Korea's Moon Jae-in shook hands at the border, and then held hands as they crossed the military line between the two countries. This is the first time a North Korean leader has set foot in the country of South Korea in 65 years. It was that war which split Korea into two; North and South. The two leaders have now said they will formally agree a peace treaty by the end of the year. Mr. Kim has also promised that a nuclear testing site in the north of his country will be shut down.

World's fastest city centre zipline

World's fastest city centre zipline is returning to London. After an incredibly successful run last year, the world's fastest and longest city centre zipline is returning to London this summer. The zip wire begins 35 metres above the ground with people making their 225-metre flight across the London skyline over Archbishop's Park, taking in views of the London Eye and Parliament and reaching speeds of up to 50kph. New for 2018, Zip Now will be operating three 225m-long zip wires to allow friends and family to ride alongside each other for even more fun and thrills.

The stars of record breaking London Marathon 2018 include west London runners

Hounslow's own Sir Mo Farah broke a British record during the hottest London Marathon ever. London Marathon records were broken despite sweltering heat - as Hounslow's Sir Mo Farah, wheelchair athlete David Weir and mother nature all made historic contributions to the 26.2 mile race. An exhausted Sir Mo broke the marathon record by a British athlete as he finished third in the men's race, despite an initial 11-second discrepancy between the two official times.

Reception trip to Odd's Farm

On Tuesday, 1st May, reception went on a trip to Odd's farm. They had a wonderful time and saw many different animals. Reception behaved well and learned a lot from this experience and have more knowledge about animals like: sheep, goats, horses etc... The children enjoyed this experience and loved the animals.

Democracy assembly

On Tuesday 2nd of May 2018, Mrs. Neal presented the whole of KS2 of Wellington Primary School with a great assembly all about Democracy. We learnt about the political system used in the United Kingdom and how women were discriminated and not allowed to vote a long time ago. We also learnt about how the Ancient Greeks started this great system (democracy) which is still used globally today. Aadam from Emerald class said "I learnt a lot from this assembly. I was surprised when I learnt that women were discriminated and that Ancient Greeks started it.

UNICEF: Rights Respecting school

In KS1, they have also now elected all of their UNICEF councilors. They can now help us win the award. Ms. Flora and some other children have been packing all of our donations for the backpack appeal into backpacks that will be taken to poor places in Africa to help children in need. Our school is aiming for the UNICEF award for rights respecting schools, but we need everyone's help to learn all the right respecting articles. That's why we are introducing article of the week. There are 54 articles altogether. The article of the week is article 2. It is non-discrimination. Everyone must be treated equally and not discriminated. We have now chosen our kind and helpful playground buddies to help out our playgrounds problems. Hopefully our playground will become more kind and caring.
